Education

Bachelor of Science - Computer Science   Graduated Spring 2018
Padnos College of Engineering and Computing
Grand Valley State University - Allendale, MI
- GPA: 3.286
- GVSU Faculty Scholarship recipient
- Burger King Scholarship recipient

Experience
Automated Machine Systems, Georgetown Township, MI
Key technologies: C#, nUnit Testing, SQL/SSMS, ASP.NET, NSIS
- Worked on existing ERP and plant floor applications designed for the lumber and pallet industry with over 90 customers
- Addressed customer issues (records not processing, slow-loading views)
- Added features based on customer specifications (Auto start and stop production runs, export prices from ERP to web portal, add user groups & permissions)
- Improvements made to UX and installation process
- Created demo scripts in SQL to make testing easier (dummy customers, products, etc.)

Additional Experience
Java
- SeeNatural - Android app to practice sight-reading sheet music (personal WIP)

C / C++
- Implementation of rolling hash

Assembly
- Fibonacci implementation, register and memory manipulation

Bash Scripting
- Created Linux commands to specification
- File system manipulation and organization

Involvement
Student Agricultural Project
- Volunteer work on student-run farm

Grand Valley Smash Club
- Participate in weekly tournaments, occasional travel

Interests and Hobbies
- Mobile applications, UX, IoT
- Racquetball, sustainability, music, Super Smash Brothers Melee
